Bring Colectivo cafe favorites (including the coffee!) to your next gathering. We offer made-to-order platters, pastries, bag lunches, and salads - great for nearly any size meeting, party, and more.

FRESH FROM OUR NEIGHBORS

Some of our food partners may be familiar to you, since they're also our neighbors! We pride ourselves on working with local purveyors: eggs from Yuppie Hill, milk from Sassy Cow Creamery, Kallas honey, and River Valley Mushrooms. The list changes a little with the seasons, but our goal is always the same - to bring you some of the freshest and finest Wisconsin has to offer.

Our catering options are prepared at Troubadour, our bakery and commissary located in the heart of Milwaukee's Bay View neighborhood. Stop by the Bay View cafe and watch our team of bakers and cooks at work!
